

Three Sisters Farm Grows organic vegetables for 160 families in the greater-Milwaukee area. We take pride in responsible land stewardship and are passionate about working with natural cycles and rhythms to enhance the quality of the food we grow. We cultivate a fun and positive work environment with direct and open communication. We embrace team work. We work hard and feel accomplished at the end of the day. We invite you to join our team!

SEASONAL FIELD AND HARVEST CREW MEMBER

Title | Field & Harvest Crew Member
