

SHARE A SHARE

Share a Share is a cost sharing program--funded by donations from other Three Sisters Farm members--that provides financial assistance to limited income households for purchasing CSA produce shares. We will contribute between 30%-70% of total share cost (up to \$300) toward a share payment.

Assistance is granted on a sliding scale based on the Federal Poverty Level. To receive assistance you must be at or below 200% FPL

FPL | Percentage of Share eligible for assistance

120% or less | 70%

140% to 121% | 60%

160% to 141% | 50%

185% to 161% | 40%

186% to 200% | 30%

FPL (Federal Poverty Level). Here is a link to help you determine if you are at or below 200% FPL. Income is based on your projected overall household income for the current year. You will be asked to provide previous year income tax returns along with a written description of any changes to your current year's income.

Participants work with us to create an affordable payment plan for the remaining cost of their share. Funding and availability of CSA shares through Share a Share is limited. We encourage all interested households to contact us to check availability and fill out an application before April 15th. Requests for assistance are granted on a first-come, first-served basis.
